

14th Annual

NSM Acquired Brain Injury Collaborative Conference

Join us for a day of collaboration

Morning presentation by a distinguished expert in the field of acquired brain injury followed by an afternoon where we explore a diverse spectrum of resources, programs, and support services aimed at creating a seamless network of care.

This unique event aims to build bridges between knowledge and support sectors, fostering a stronger, more interconnected community.

**Keynote
Speaker**

Dr. A. Sniderman M.D., F.R.C.P (C)

Director, Neuropsychiatry Clinic, Brain and Spinal Cord Program, Toronto Rehabilitation Institute. University Health Network. Assistant Professor, Departments of Psychiatry and Medicine, University of Toronto

March 20th 2024 8:30 -4:00

Ferndale Banquet Hall
